Gentlemen:

Your notice of expiration of the insurance for $2000.00 on the furniture of Elizabeth A. Wood, 1057 Beacon Street, at hand. I am uncertain how long she will remain there and would not care to have you renew this for a period longer than one year. This you may do and send the bill and insurance papers to me at the above address.

Very truly yours,

In reply to your letter of May 12th I cannot tell you until the last moment what date Mrs. Wood will move to Brockton. Her Brockton address will be 35 Hampden Avenue, a small street off Linwood Street. The dwelling is wood construction, one floor and attic - I think five rooms.

Very truly yours,
